Hello Beth - A while back we submitted samples for MBAS analysis. The PR and statement of work is attached. Data reports have been received for all of the samples that were submitted. Our QA manager inquired about raw data reports (i.e., instrument reports) that were requested in the original SOW.

Are such full data packages available for these analyses?

Thanks,
Rick

I have attached a copy of the Final Invoice and COC. If you have any questions, please let me know.

Thank you,
Beth Daughtry
